

## Nature's Defender Yard Guard Ready-to-Use with Hose End Sprayer

32 oz. Hose  
End Sprayer

Lawn & garden insect control. Works on all non-beneficial insects. The best non chemical yard insect control product on the market. Ideal for use on your patio, lawn, shrubbery, flower and vegetable gardens. Can be used as an animal spray and in barns and stables. Repels & kills grubs, fleas, ticks, army worms, mole crickets, mosquitoes and numerous insects including eggs and larvae. Treatment will create a barrier of insect re-entry and break the egg layer cycle resulting in zero grubs and other subterranean arthropods using our all natural cedar oil solution.

### Directions for Use:

No measuring or mixing with this easy to use chemical free spray.

Simply hook up to the end of your garden hose and start spraying.

Treats from 2,000 to 4,000 sq. ft. Apply every 20 days apart for the most effective insect control
