

Nature's Defender Rid-A-Weed and Spider Treatment Ready-to-Use Formula

32 oz. Spray

Finally, a way to control unwanted plant growth without soil contamination. It's an all natural alternative to round up from our agricultural division. This item is a chemical free way to eliminate grass and weeds along your fence line, sidewalks, driveway or in the garden. Just spray the leaf surfaces and wait. Can be used to acidify soil in gardenia or azalea beds. Excellent spider killer for anywhere you wish to eliminate these creatures such as inside warehouses and other structures. Keeps cats out of flower beds or other off limit areas with this solution. Rub in and rinse off to remove skunk odor from dog hair. Rid-A-Weed is a 100% natural solution. It's vinegar folks. A specially formulated higher concentrate of what you have in your kitchen. The formula is 50% water and 50% 300 Grain Acetic Acid.

One Gallon Economy Size

Directions for Use:

No measuring or mixing with this easy to use chemical free spray.

Shake well before use. Holding nozzle about 8 to 12 inches away from surface to be treated. Spray until the entire surface you are treating is wet.
