32 oz. Hose End Sprayer

For larger agendas be sure to check our CONCENTRATED VETS CHOICE Formula.

DO NOT USE ON OR AROUND PET REPTILES, RABBITS, PET MICE, PET RATS, FERRETS, GUINEA PIGS, OR EXOTIC PET BIRDS.

Vet's Choice is formulated for skin issues, and used as a dipping solution for pets and farm animals. VETS CHOICE is a Cedar Oil solution available in both 16 oz. trigger sprayer or 32 oz. hose end sprayer.

Both sizes come ready to use with no mixing required. The product is created exclusively for the Animal Health Industry for control of Ear Mites, Mange Mites, Burrowing Mange Mites, Deep Root Ear Canal infections, flaky skin, and other skin issues on Pets, Poultry, Dairy, Equine, Goats, Sheep, Llamas and all other domestic or exotic livestock.

Vet's Choice is also ideal for use on existing wood bedding of farm animals, simply spray down pine and other wood shavings with this formula for the aroma of cedar oil, a natural insect repellent, can also be used around your patio, lawn shrubbery, flower and vegetable gardens. This product is used in and around barns and stables to repel mice, rats, heat seeking venomous snakes and numerous insects from areas treated with it. A safe 100% natural cedar oil solution. Treatment will create a barrier of insect re-entry and break the egg layer cycle. Best time to treat is early morning or evening. Do not treat in the middle of the day or whenever it is hot. 32 ounces of ready to use Vet's Choice should treat approximately 4000 sq ft.

HOSE END SPRAYER DIRECTIONS FOR USE: Domestic & Farm Uses; Ready to use formula, Simply Hook it up to your garden hose and spray. Use in barns, kennels, dog runs, yards can also be used to spray down livestock, horses, and other farm animals.

KEEP OUT OF REACH OF CHILDREN

Minimum risk pesticide exempt under FIFRA section 25B.
